The County will begin automatic payments from your bank account for your monthly Masters dues on the next date (1st or 15th) that you chose.

If you need to STOP your monthly payments at any time, please let Linda (lindabostic@gmail.com) know at least 3 days before the automatic payment is withdrawn. Linda will immediately notify the County to stop your payments.

To re-START your monthly payments at any time, you can go online and re-register for the program.

For those of you who have previously setup your online banking to send payment to the pool each month, please remember to stop those auto-payments.

I hope that most of you will be happy with automated credit card payments and the convenience to “set it and forget it” and earn “points” with your credit card. Let me know how it goes!

Thank you for your support of Palm Beach Masters.
